SHS . . .

The Place

Sanger High is known for many things. This was "our place." We dragged ourselves out of bed to come here and, once here, no one slept.

Our neighbors weren't sleeping - they were busy watching us park in front of their houses. We needed to be wide-awake (during the winter months) to avoid the Emwing Lake (named for its' location). And the temperament of some teachers indicated that they never slept.

But it was the building itself that gave us a place to meet . . . something to wake up for. Here is where it all began.

SHS . . .

The People

"People" in groups were called "Aggies", or "Cowboys", or "Khakis", or "Brains", or "Jocks" (and a few other titles that are not printable), according to their 'trademarks'.

"People" by themselves were all just Sanger students . . . doing what every high school student does.

This year, they were going to movies like "Star Wars" and "Rocky". They were listening to groups like Kiss, Super Tramp, America, The Eagles, Boston, The Bee Gees, Fleetwood Mac, Kansas; and listening to songs like "You Light Up My Life", "Baby Come Back", "I Love You Just the Way You Are", "Here You Come Again", and "You're in My Heart".

Hair styles were shorter, and dress lengths were longer. Pants tucked inside boots were fashionable. So were promise rings and drinking Lowenbrau or Margaritas. *mas Daal*

Our President was named "Jimmy" and flashed a smile that became the Carter trademark.

The Minimum wage jumped from \$2.50 to \$2.65, gas was 59 a gallon, the Dallas Cowboys won the Super Bowl, and we couldn't get suspended for ditching anymore, thanks to the Hart Bill.

my favorite J.C. Farrah Fawcett, Sylvester Stallone, John Travolta, and Barbara Streisand were this years' top stars, and T.V. sets were tuned to "Starsky and Hutch", "Happy Days", "Charlies Angels", "Eight is Enough", and "Saturday Night Live."

And life at SHS went on . . . Thanks to "people". *is sorry*

THE CLASSES

Seniors remember phrases like "You Barbarian", and "You betcha, Red Rider!" interrupting their daily nap in American Institutions. (just kidding Mr. Marcantonio!) Mr. Teel also taught this class, and for the first time, Marcantonio lost total control over the diplomas of the Seniors. Mr. Powell's Marriage and Family was another senior class 'for adults only'. He got us all married, made us all parents, and taught us the 'real' facts of life.

Juniors, finally achieving 'upper class' status, made their way through Civil War West with Mr. Parks. This was one teacher even the 'studs' wouldn't mess with.

Sophs were once again expected to uphold the tradition of driving on the sidewalks - since by now all pedestrians who recognize the Drivers Training car immediatly head into the streets for safety.

Freshmen got the usual "you're growing up" welcome speech as they arrived at SHS, but many weren't quite prepared for What. Part of the basic Frosh duties were (to the delight of some and embarrasment of others) memorizing the (proper) names for male/female anatomy in Sex Ed.

There were other outstanding classes that produced more than homework and reading assignments, although they were not 'required'. NJROTC, MUN, Music, Ag, Home ec., Journalism, Speech, and Drama all turned out performances outside of the regular class schedule.

giant, I'm glad I got
 to know you and have

The Activities

SHS Activities were not exactly few and far between. Students participated in building floats, selling carnations, working concession stands, starring in "Godspell", and going on field trips. They were attending pizza parties, dances, and games.

They wrote their names millions of times for the KYNO Contest, watched parachute jumpers descend into the Sanger bowl, dressed up for the Christmas formal and the Prom, and dressed down for the Backwards Dance.

Seniors succumbed to the Blood drive, and were rewarded with the excitement of Grad Nite at Disneyland.

Besides all this, there were the usual Extra Curricular Activities. There were cars to buy, concerts to attend, dates to remember, the Fresno Fair, snow trips, dragging the main, parties, friends, and jobs.

The Clubs

No school can say it has variety until it can offer students an opportunity to expand on their interests. Sanger has variety.

No matter how 'different' or 'unique' a student's interest, there is probably a club at SHS that will cater to that interest.

This year, active clubs fell into four categories.

Class related clubs focused on extending classroom learning. The French club really extended their learning when they flew off to Paris, France. Other class related clubs are the German and Science Clubs.

Profession related clubs like Future Teachers, NJROTC, and Medical set their topics at choosing careers for the future.

Activity related clubs planned school rallies, dances, and assemblies. Activities club, Rally & Block 'S' all were busy with planning various activities that SHS students could enjoy.

Outside interest groups were also active this year. Moto Cross and Tri-Hi-Y both participated in out of the ordinary club functions. Campus Life sponsored the powderpuff league championship, chased geese, took beach trips, and met weekly to help students meet under socially acceptable conditions. Another "outside interest group" suggested for this section was the Schlitz Team. Since they are not a school recognized club, though, that is all the publicity they get.

I'm glad
 you got to know
 me. (I'm not really
 but that's what everyone
 says.) But we're done with
 this year, I know your glad.
 You always made snotty remarks
 but then that's you. I try to
 soften up + be nice + all A
 you next year.

SHS ...

THE SPORTS

There are several phrases that would accurately describe SHS sports this year. "Blood, Sweat, and Tears", "The joy of victory and the agony of defeat", and "Try, try, again" all hint at the type of year we've had.

According to one athlete, "Well, we did our best, but the others were better. We'll never quit, though ... we'll just follow the rule of 'if at first you don't succeed ...'"

Any yearbook is merely a collection of memories as seen through the eye of the camera. The printed words and pictures can never take the place of the actual feelings which made our senior year so special.

However, as time passes and we look back on our high school years, and most especially our senior year, it is hoped that this assimilation of memories will help us to recall the people and events which we will never forget.

Therefore, this book is dedicated to the senior class, because there will never be another class like you, Class of 1978.

The Parade ... The Community show ... all part of Sanger High

December at SHS includes participation in the annual Toyland Parade and the annual Community Christmas show. This year's parade was dominated by the Sophomore Class who displayed a great deal of talent as they created the prize winning float. The Community Show was held in the Sanger High Theatre this year and featured the SHS Drama students as well as the MAYO dancers. Ms. Linda Bacon directed the production and the large enthusiastic audience continuously showed their appreciation throughout the production.

Ho-Hum: Another tie contest six-six

If the past reflects the future, next year's powder-puff game will end in a tie. Year after year, the Seniors take off after the Juniors and end up a little bit frustrated because they can't pull out a win in the annual event. NO ONE WINS! The score this year was another 6-6 deadlock. The stars were Suzie Cruz for the Seniors and Sharon Frauenheim for the Juniors but the spotlight was on Senior Roland Rico as he was named 1978 Sanger High powder-puff king.

THE SENIOR WOMEN. Front row: Coach Mark Tawlks, Jeanie Richmond, Sandra Jue, Suzanne Darmanian, Jennie Richmond, Debbie Schmitgall, Kelly Ross, Cindy Kriner, Diane Reglado and Suzanne Biggler. Sanger High School Rallies

'Fun in the afternoon' on Friday!

The only problem with the SHS rallies this year was that they were a little too short. Although short ... They were effective and did produce the spirit that was carried over to the game that night. Most of the rallies were outstanding but the 'Navy' rally complete with people jumping out of helicopters was the most memorable. The Rally Commission, the class cheerers, the ASB pep and cheer squads, and the student participants made the rallies fun and meaningful.

Eight pretty girls made up this year's group of Sanger High pep girls. Attractive, interested, energetic and talented are just some of the words that describe this year's group. Karen and Joanie shared the head pep girl title and the through their efforts and the efforts of Advisors Beverly Linder and Meanana Perez helped to develop a group that has to be described as the best in the Valley.

It doesn't take a great deal to create outstanding spirit on the SHS campus when you have Diane, Sharon, Dodie and Ruthie doing 'their thing'. Their thing as ASB cheerleaders is to create an atmosphere conducive to winning. The spirit they create at the rallies and the games is carried over into all aspects of Sanger High life. From Monday through Friday a positive attitude is felt throughout the campus. Diane Ogawa was selected by the students as the head cheerleader and along with Sharon Hazel, Doloros Gonzalez and Ruthie Gonzalez spent a great deal of time on their routines and the end result showed it. Mrs. Linder was the advisor of the group and worked with the girls throughout the year assisting them in the many and varied aspects of being ASB cheerleaders. Essentially an underclass squad (three sophs), the ASB cheerleaders proved that the 'underclassmen' have it!

from Home

This has been an eventful year for AFS'er Shige Masuda. Shige fit right in. In fact, each time that the Future Farmers were doing their thing by winning plaques and trophies Shige was right there. Shige says he enjoyed his year here at Sanger High and that the students and teachers really made him feel at home. He 'was at home here at Sanger High'. Shige is a friendly person with a friendly smile. Mr. and Mrs. George Johnson were his 'parents' here in Sanger and were most responsible for his profitable year. We hope he misses us ... We know that we'll miss him.

The students were the winners ... The teachers were the losers. But the real winners were the teachers who participated. They showed the students that they weren't too old or too stuffy to help create spirit on campus. Thanks to Mr. Ratzlaff, Mrs. Perez, Mrs. Robinson and Mrs. Linder. They did hit the water and mud but it was all in fun. No one got hurt ... there were no losers ... but these teachers won a lot!

The 1977-78 Student Council was an excellent student council. Mr. Bob Buchanan was the driving force behind the group and had little difficulty getting the job of student government done. His Council members were talented and interested and had the desire to do the job and do it right. As is the case in any group, some excell. The 1977-78 Council was not an exception. Jane Ogawa, Richard Sepulveda, Annette Harvey, Janice Altman, Liz Rocha and Robbie Tanaka could be singled out for their efforts. This is not to say that the other members should be excluded, but it is to say that these people were very visible because of the interest in which they attacked the jobs and the problems. The entire Council responded to the challenge and helped to make the 1977-78 school year a memorable one.

Council, Navy host area school leaders

Capt. John Nicholson and Congressman Krebs

The Sanger High Student Council early in the year decided to find out what the student councils in the area were doing. As a result the SHS Student Council staged a leadership day. The idea behind it was that each council could learn from the others. Bob Buchanan and Commissioner of Publicity Annette Harvey spearheaded the daylong affair that featured Congressman John Krebs and Capt. 'Nick' Nicholson as the guest speakers. The Sanger High NJROTC unit provided the 'color' for the event which featured individual sessions as well as the general sessions held in the Sanger High gymnasium and theatre. Annette was one of the more outstanding Council members throughout the year and through her position as Commissioner of Publicity continually kept Sanger High in the news via the various TV and newspapers in the Fresno area. Through her efforts, it was not an unusual sight to see TV cameras at Sanger High events.

Scott's gridders place third in West Yosemite

Sanger High School Apaches. Row 1: Mark Tawlks, Melvin Caldwell, Charlie Mugerdechian, Tony Fidalgo, Bud Western, Eric Berry, Kirk Brown, Danny Merk, Kerry Mobley, Gene Johnson, Mark Shepherd, Mike Floyd and Ronnie Miniastian. Row 2: James Dela Cerda, Art Fuentes, Dean Wilken, Tom Merlo, Dennis Vermillion, Mike Carr, David Sarabian, Kelly O'Brien, Marty Kaloostian, Roger Hemman, Bob Gonzalez, Matt Lopez and Manager Chuck Wills. Row 3: David Torres, Paul Montelongo, Ken Hernandez, Evie Gomez, Greg Vitucci, Kevin Ashford, Pablo Perez, Bernie Lady, Steve Young, Steve Nelson, Romulo Garza, Calvin Walker, David Orozco and John Tinoco. Row 4: Tony Herron, Art Serna, Calistro Molina, Greg Bernal, Richard Gutierrez, Jerry Fino, Abel Trevino, Danny Herrera, Marc Lopez, Joe Gonzalez, Elias Ramos, Alex Lozano, James Jaurique and Roland Rico.

It was tough losing the majority of players from last year's Valley championship squad but nevertheless Coach Gary Scott fielded a very fine squad. Unfortunately the WYL was again tough and the Valley leading Pioneers from Mt. Whitney took the WYL title and the Apaches had to settle for a third place finish. Leading the Apaches this year were WYL all-stars Marc Lopez, Tom Merlo and Kerry Mobley who made the first squad and James Jaurique and Tony Herron who were picked for the WYL second team.

The Sanger High Braves of Coach Roy Tanimoto had an unusual year this year as they did not win a championship. Championships had become the usual thing relative to the JV's, but not this year. The JV's only lost one game this year but a couple of ties kept the squad out of title contention. As usual, the outstanding performances of the Braves is an indication that SHS football next year will once again be successful.

This year's Sanger High waterpolo squad was one of the best yet at Sanger High. From the beginning of the season, the SHS swimmers 'put it all together' and produced some fine wins early in the season. The WYL again proved to be one of the toughest leagues in the valley and the Apaches had to settle for a spot a couple of notches below the league winners.

Cross Country running is one of the more demanding sports on the Sanger High campus. It takes a unique talent to run around Avacodo Lake and the SHS athletes who selected this sport as their sport demonstrated that desire and ability produce positive results. Coach Dave Dodson again fielded a 'young' . . . 'small' group, but a group who performed well throughout the fall season. Leading the squad this year was Sophomore Nacho Salinas.

Spirited SHS Volleyballers come close to league titles

Coach Dave Masumoto in his first year of varsity coaching produced one of the best-ever SHS squads. Unfortunately, so did the Coach of the Reedley Pirates, who managed to win the league title. Leading the squad for Masumoto this year were Sheri Gerdts, the team's most valuable, and Karri Hirni who was named the squad's most inspirational. The top JV awards went to Sandy Wilson, Kelly Brown and Sara Simonian. On the Frosh-Soph squad, singled out for special recognition were Kelley Miller and Norma Gonzalez.

In addition he managed to be selected to several all-star squads. In the scoring column he was one of the leaders in the WYL. The Apaches got off to a fast start but then found their WYL opponents tough. Along with Herron, Kevin Ashford, Louis Hernandez, Isaac Rodriguez and Efran Bravo were outstanding members of the 1977-78 Apache basketball squad.

Echo, Hi-Lights, FOCUS, photography, KYNO add up To

This was another busy and somewhat frustrating year for many students who enrolled in the journalism classes or joined the staffs. Because of the many Echo deadlines, the weekly Hi-Lights deadlines, the photograph sessions, the KYNO reports, FOCUS and the many programs to be designed and printed the busiest staff members were occupied throughout the year. In addition to the editors who directed the projects, special thanks are due staff members Kellie Carlson, Kim Sprayberry, Nancy Walton and especially Kellie Yost for their work this year.

busy year.

NJROTC Unit excels in and out of the classroom

Capt. . John 'Nick' Nicholson is the Admiral of Sanger High's NJROTC unit. This unit is in its second year of operation and because of the interest and energy of Captain Nicholson all systems are 'go'! And go means to Washington, Hawaii, San Diego, San Francisco, Le-moore Fresno etc. The Navy unit is always planning and implimenting trips to compliment the classroom work.

ing Band

The Sanger High School Music Department has always produced a superior marching band. In addition to the musicians, the Sanger High Lettergirls, Majorettes and Indian give the band an added dimension. From the time they are selected in the spring to the first football game, the performers spend hundreds of hours in practice and rehearsal for their performances which include the half-time shows, the parades and this year the trip to San Francisco for the Navy show. Assisting Mr. Jaime with the groups this year was Mr. Weins who also assisted and supervised the SHS Flag girls.

Curt Bender

SHS's Music Man

Mr. Bill Jaime is Sanger High's Music Man, but this year we had another one. Senior Curt Bender can also lay claim to the title. He is a music man and a great one. Curt was Mr. Jaime's right hand man and was most responsible for helping the SHS Band win the reputation as being one of the best units in the Valley. As the band's drum major, Curt also led the SHS NJROTC Band which was new to the school this year. The NJROTC unit brought much attention to the school because of their frequent appearances at military functions. Sanger High has a great band because it is made up of great people.

Mr. Norman Wiens

"He Who Sings, Prays Twice." Brilliant philosophy, if you know the meaning. Mr. Norman Wiens, Director of the Sanger High Honor Ensemble, Concert Choir, Mixed Chorus, and Girls Chorus, does know the meaning; it hangs above the door of his office at Sanger High School.

This has been a very busy year for the SHS Vocal Music Department and because of the fine reputation of Mr. Wiens and the Concert Choir, they received an invitation to perform at the San Jose State Invitational Choral Festival in February.

The Concert Choir performed frequently throughout the year including their special performance at the annual 'Trek of the Trees'. It was a busy year and it will not be concluded until they perform at the graduation ceremonies.

A "very superior" Sound of Music

A "unanimous superior" rating was given the Sanger High Concert Choir at the annual music festival. Although there are no judges at most of their performances, the audience continually shows their enthusiasm with standing ovations and accolades attesting their perfection. The Sanger High Concert Choir is excellent because of their interest in doing excellent work and because Mr. Norman Wiens is an excellent conductor.

ECHO 1978

At last. The final deadline has been reached and the 1978 ECHO is completed and safely on its way to the publishers. Looking back, we realize that the long hours of typing, pasting, proofreading and such do not seem so long after all, although every single page was put together, re-done, and done again. Those of us not devoting full time to the ECHO were kept busy by the weekly hassles involved with editing the HI-LIGHTS. The Focus and KYNO Reports, too, came up from time to time and demanded still more of our already divided attention. Our efforts are not wasted, though. The thoughts and ideas of the staff have been assembled on these pages, together with the pictures we felt would best summarize the year. They represent YOU ... your year becomes your ECHO. Yes, the hours were long and often tedious, but we think it was worth it, a job well done. We hope you think so, too!

-Grant-
